Hi there,

Thanks for tackling your financial disclosure report over the weekend! I'm going to look it over and send back some comments later this week, but for now, I'll ask you to review the attached recusal statement that Shannon Griffo drafted for you. It includes recusing from Sanofi as a specific party and from the pharmaceutical sector, and also includes a voluntary recusal from the formaldehyde IRIS given your prior involvement. And, as you know, you will have a two year recusal on working or meeting with your former employer, Koch Industries.

Please review the recusal and designate someone to be your "screener." Then please print out the recusal on office letterhead, sign and date it and return to us. If you need some advice about that, I'm sure that Liz Blackburn can help! She's always super helpful to us!
